

# GENERATORS!

## Mercer Controls, Inc.

The state of Texas has new requirements concerning emergency power for water plants and sewer lift stations.

Mercer Controls can help you to:

- Analyze your need
- Size the generator
- Furnish and install generator and slab
- Furnish a licensed electrician
- Matching your motor loads to the generator

There are currently some sources of generators with very attractive prices.

Are you  
prepared for  
the next  
storm?
