Many of you have trusted Mercer Controls for control panels that work...and keep on working! Now, you can trust us to install SUPERIOR brand chlorination equipment—and you can watch it keep on working!

Products from SUPERIOR are simply better. Major parts have a lifetime or a three-year warranty. The case material on the vacuum regulator is not affected by liquid chlorine. SUPERIOR ejectors have a DOUBLE check valve.

Mercer Controls wants to be your chlorination supplier. We install, we service, we repair, we perform maintenance contracts—on chlorination, sulfonation, and ammoniation equipment and analyzers from all manufacturers!
